Spring 2023 Unified Agenda of Federal Regulatory and Deregulatory Actions

AGENCY: National Archives and Records Administration (NARA).

ACTION: Semiannual regulatory agenda.

SUMMARY: This agenda announces the proposed regulatory actions that the National Archives and Records Administration (NARA) plans for the next 12 months and those actions that NARA has completed since the fall of 2022. We developed this agenda under the guidelines in OMB's Memorandum for Regulatory Policy Officers at Executive Departments and Agencies and Managing and Executive Directors of Certain Agencies and Commissions. NARA publishes this agenda to provide people with information on our regulatory plans and with more opportunities to participate in the rulemaking process. Some of the regulations listed in the agenda are considered significant under Executive Order 12866, "Regulatory Planning and Review."

Our complete regulatory agenda is available online at www.reginfo.gov.
